Reach for Me

\*\*This is pretty much just a little cute fluffy one-shot between Astrid and Hiccup, so yeah, enjoy. \*\*

\*\*And of course HTTYD is Â© to DreamWorks. \*\*

><p>"You, uh, have a leaf in your hair," I said to her, stretching my hand into her hair nervously, silky blond threads causing my heart to falter, like the first time I flew with Toothless. Slowly I felt myself falling into her warm body, and hesitantly I placed my lips onto hers.<p>

Astrid's eyes widened, but after almost a second she punched me away from her, rage burning in her blue eyes, piercing my heart into a million pieces.

\_Idiot! Why did Iâ€\_my thoughts stopped asshe pressed her warm lips, hesitantly, on mine. My eyes locked onto her gorgeous, irresistible electric blue eyes, and then I fell into her shocking, yet extremely satisfying love.

\_How could I have known that my love would be ripped away from me with one fell swoop?\_

><p><strong><em>And no there is never going to be a sequel or second chapter to this little one-shot because I actually would have no idea what to write (since this was written all the way in 2010 and I remember nothing from it).<em>\*\*
